Evaluation literature and sources

C	**Currency**: ***The timeliness of the information.*** • When was the information published or posted? Revised or updated? • Does your topic require current information, or will older sources work as well?
R	**Relevance**: ***The importance of the information for your needs.*** • Does the information relate to your topic or answer your question? • Who is the intended audience? / an appropriate level?
A	**Authority**: ***The source of the information.*** • Who is the author/publisher/source/sponsor? • What are the author's credentials or organizational affiliations? • Is the author qualified to write on the topic? / contact information?
A	**Accuracy**: ***The reliability, truthfulness and correctness of the content.*** • Where does the information come from? / supported by evidence? • Has the information been reviewed or refereed? • Does the language or tone seem unbiased and free of emotion?
P	**Purpose**: ***The reason the information exists.*** • What is the purpose of the information? Is it to inform, teach, sell, entertain or persuade? • Does the point of view appear objective and impartial? • Are there political, religious, institutional or personal biases?
